A MAGAZINE FOR THE SUCCESSFUL ABOUT THE SUCCESSFUL BUSINESS

A new magazine about the world of business and finance which will reach out to the elitist clientele in the Czech Republic. Company owners, entrepreneurs, top managers, marketers – the VIP customers of Group Havel and Holásek & Partners – will receive the Luxury Business magazine directly to their desks.

## **The world of business is dynamic and full of challenges. Perhaps that is why it fascinates so many of us ...**

We will ask prominent Czech businessmen about their personal stories. We are going to ask how long it took them to get to where they are, what they had to sacrifice to do it, what they have gained and especially what their work brings them. For some it's money, for some it's recognition, and for others, it's being a part of a successful team.
